

DEGREASER PLUS

Heavy Duty Degreaser

PRODUCT DESCRIPTION: Degreaser Plus is a powerful degreaser formulated with detergents, surfactants, and penetrants for extremely tough jobs that require extra strength. Its high concentration allows for dilution with up to 100 parts water for greatest economy. Superior grease and soil penetration and retention allow the degreaser to be used in many ways including equipment cleaning, shop floor maintenance and dip tank degreasing. While safe for cleaning most metals prolonged contact to soft metals should not be allowed.
