LP CHALLENGER

Truck/RV Wash

PRODUCT DESCRIPTION: LP Challenger is designed to be used through a pressure washer to quickly remove dirt, oil, grease, road film, and exhaust from aluminum or painted surfaces without attacking the surface. A special ionic detergent system quickly penetrates road film reducing the time needed for brushing or use of other manual devices. Special sequesterants keep equipment free of water mineral scale. This product rinses freely, leaving no film or residue when used as directed. May be used to clean any surface soiled with dirt, oil, traffic film, etc. LP Challenger can also be used for general purpose floor cleaning in both automatic floor scrubber and mop buckets.

PROPERTIES:

Appearance: Clear Liquid

Odor: Mild

Density: 8.6 lbs/gal

pH: 11.5 @ 2%

PRODUCT BENEFITS:

- Moderate Foam
- Biodegradable
